RE: Mr. Bryan Grant Jeansonne's complaint
 MUR 6682

Dear Mr. Jordan:

I am in receipt of your letter dated November 7, 2012. In response, I would like to thank Mr. Jeansonne for taking his time to point out the error of my omission. Upon reviewing the enclosure and the pertinent FEC rules, it is obvious that I failed to place the appropriate "paid for" language on y yard signs. For this I am truly sorry. I apologize to Mr. Jeansonne and to the commission for any misunderstanding or consternation this may have caused. It was not an intentional act but was the result of my failure to familiarize myself with the regulations for political campaign signs.

I assure the commission that this will never happen again. Please advise of any additional acts needed to satisfy the requirements of the commission.

Thanking you for your consideration, I remain,

Very truly yours,

Rufus Holt Craig, Jr.
